When I Can Fly

> <meta name="Generator"> I shake my head and look at the sky,

When I Can Fly

I shake my head and look at the sky,

And I really wish that I could fly,

Up, away, and really high,

Until my name, they cry.

It's true I have wings,

But my heart doesn't sing,

Because I can't soar away,

Here and nowâ€¦today.

Birdramon can fly,

Why can't I?

But maybe when I Digivolve

My problem will be solved.

But I don't want to wait till then,

It could take forever.

I know it'll happen sometime,

But when? When?

When will I be able to fly

Up into the sky,

To soar away,

Any day.

I know I'd be a better help,

Right nowâ€¦I'm small,

I can't do much when they call.

But when I can flyâ€¦

Then we'll see

Just what I'll be.
